Reflections on Life

By Johnny Lewis, III—B.A.S.I.C. Group Leader

Looking at the evil that has skyrocketed throughout America and the world, we can see that Satan and his wicked forces are wreaking havoc everywhere! Nevertheless, our Lord will have the last word. Satan's time is limited because God has the sure plan for his demise, and we know how his end will come.

Revelation 20:10 (NASB) tells us, "And the devil who deceived them was thrown into the lake of fire and brimstone, where the beast and the false prophet are also; and they will be tormented day and night forever and ever." So, let us continue to pray for the strengthening of our Christian faith and the boldness to stand as ambassadors for Jesus and share the gospel with a world being ravaged by all kinds of sin. Remember, our Mighty God is still on the throne and Jesus is Lord of lords and King of kings.

Who's Who & Where's Where
"Nabal" (1ST MENTIONED: 1 SAMUEL 25:3)
 The first husband of Abigail (who later married David), Nabal died at shocking news. Nabal was a rich herder who owned 4,000 sheep and goats. While hiding out from King Saul, David's men helped protect his livestock. The men came to Nabal and asked for some supplies. Nabal replied with an insult: "Who does this son of Jesse think he is?" When David found out about it, he led his men back there, planning to kill Nabal and take the supplies. But Nabal's wife, Abigail, heard about it. Smarter than her husband, she met David enroute — taking him supplies. Back home Nabal lay drunk from celebrating. When he sobered up, she told him what almost happened. Nabal suddenly lay paralyzed on his bed like a stone. About ten days later, the Lord struck him, and he died. (1Samuel 25:37-38)
