

Reflections on Life

by Johnny Lewis, III, BASIC Team Leader

Just stop and look around at the constantly changing face of our society. It has become politically incorrect to say, “**Jesus Christ is the only way to God**”. So many Americans (from mainstream media, social activist groups, cultic groups, Hollywood elites, so-called intellectual experts, etc.) spew out hateful rhetoric & unfounded accusations against Christians. Any viewpoint is acceptable except the truth of God’s Word. Nevertheless, our Lord Jesus says in **John 14:6 (NASB)**, “**I am the way, and the truth, and the life; no one comes to the Father but through Me.**” By His death, Jesus paid for our sins and bridged the gap that separated us from Father God. By His resurrection, Jesus proved that He is the Son of God. Therefore, folks, let’s not be intimidated to boldly proclaim the truth about Jesus to a lost and dying world. **Jesus is the only answer for the world today and the only way to heaven!**

YOU HAVE A PART TO PLAY

Each one of God's children
Has a special part to play,
Whether it be great or small,
We are needed every day.

Though you may be tempted to give up
And let another take your place
Remember, God gave you gifts
And you cannot be replaced.

And these gifts that God has given,
He longs for you to share
You're just as important as anyone,
So don't be in despair.

For each gift is important
To make the whole plan work
So do your part with enthusiasm
And know that you have worth!
