

Who are you living for? Is it for self or for Jesus Christ? There is a radical internal change that has occurred if you have become a true believer in Christ. With the sincere study of God’s Word, you will think differently, live righteously, hate sin, and resist sinful desires. Even the way you look at and evaluate people will become different. That is, you will begin to look at people the way God sees them. In other words, you have become a new being, focusing on God’s plan and Christ-centered activities which are suitable to your new nature, and not on selfish desires. You will fall right in line with 2 Cor. 5:17 which tells us that if anyone is in Christ, he is a new creation; the old things have passed away and the new things have come.

BIBLE SIGNS & SYMBOLS

ROME — PART 2

So it came to be that a Roman ruler (Pilate) signed the death certificate that allowed the Jewish people to crucify Jesus. Later, Roman soldiers put Paul the apostle into protective custody and then transported him to Rome to appear before the emperor. Since Rome was the greatest city of the time, Paul could hardly wait to take the Gospel to that place.
The power and ruthlessness of Rome could be seen as both an obstacle to and a vehicle for the spread of the Gospel, just the way Babylon had both opposed God and been used by Him.
